

Cookie Policy

This Cookie Policy explains how Ianos Maritime - FZCO uses cookies and similar tracking technologies on our website.

What are cookies? Cookies are small text files that are placed on your computer or mobile device when you browse websites. They are widely used to make websites work more efficiently and to provide information to the site owners about your browsing experience.

Types of Cookies We Use:

1. **Strictly Necessary Cookies:** These cookies are essential for our website to function properly (e.g., enabling secure login or basic site navigation). They do not store any personally identifiable information and cannot be switched off.
2. **Performance & Analytics Cookies:** These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us know which pages are the most and least popular (e.g., using Google Analytics). All information these cookies collect is aggregated and therefore anonymous.
3. **Functionality Cookies:** These are used to recognize you when you return to our website, allowing us to personalize our content for you and remember your preferences (such as your language choice).

How to Manage Your Cookies: You have the right to decide whether to accept or reject non-essential cookies. You can manage your preferences at any time through the "Cookie Settings" banner on our website. Additionally, you can set or amend your web browser controls to accept or refuse cookies. If you choose to reject cookies, you may still use our website, though your access to some functionality and areas may be restricted.

Changes to this Policy: We may update this Cookie Policy periodically to reflect changes in our practices or legal obligations. We encourage you to review this page regularly.
